1. Where are you from? Who introduced you to HBCUs?*

I am from Little Rock, Arkansas and was introduced to HBCU's by my parents .

Danielle Burns of Grambling State University (Class of 2019)

2. Why did you choose an HBCU over a pwi?*

I chose an HBCU over a PWI because the support and love is real at an HBCU. The professors, the coaches, the counselors, and so forth can be looked at as mothers, aunts, uncles, and different placings of family and will go that extra mile with you because they want success to lie within you just as much as you do.

3. What is the story of your "experience" at Your HBCU given its heralded status as a stellar and prestigious institution?*

I attend THE Grambling State University, "Where Everybody is Somebody"! Coming in as a Freshman, I needed interest and comfort in the school right away since this wasn't home for me because I am from the state of Arkansas, but Grambling gave that to me without a doubt.

4. "First time" experiences at your HBCU?*

N/A

5. Who are the professors that have impacted your life in and out of the classroom? How did they do that?*

One Professor in particular that has made an impact on my life in and out of the classroom is Mrs.B , my FYE teacher . She is such an inspiring and uplifting person and that's what is needed going through college and dealing with your personal life and everything that comes with it.
