1. Where are you from? Who introduced you to HBCUs?*

I chose it because other than aspiring and working to be a pro athlete, I would like to be a coach, athletic director, or a sports information director at a major university or HBCU."

#HBCUFirsts "Road Trip and Gym Party"

2. Why did you choose an HBCU over a pwi?*

I decided to attend JCSU because not only did they offer me a football scholarship, my desired

major (Sport Management) was available, and I was heavily attracted to the great city of Charlotte, North Carolina.

3. What is the story of your "experience" at Your HBCU given its heralded status as a stellar and prestigious institution?*

Well, we play Livingstone College every year. But this year we celebrated the Commemorative Classic; which celebrated JCSU and Livingstone College playing in the first ever black college football game. The week of the game my teammates and I attended a very informational, and very positive symposium that was orchestrated by both institutions to promote the betterment of young black men and women in today's society.

4. "First time" experiences at your HBCU?*

Interviewer chose not to answer. Please see the next question.

5. Who are the professors that have impacted your life in and out of the classroom? How did they do that?*

Dr. Robert Lyons. He's a sport management department employee. The reason for his heavy impression is that he is a perfectionist when it comes to sport management, and with me being a perfectionist when it comes to football we clicked on many levels. He also stresses being on point in every aspect of being a college student and athlete.

6. Best restaurants on/near campus? Best dishes?

Cookout by far is the most popular restaurant near JCSU. Whenever I go to cookout I ALWAYS get a peanut butter and banana shake! The best in the world!

7. College crush?

I won't say a name, but she's a senior. A very gorgeous young woman who's friends with one of my closest friends on campus.

8. What is your major? and Why did you choose it?

Sport Management. I chose it because other than aspiring and working to be a pro athlete, I would like to be a coach, athletic director, or a sports information director at a major university or HBCU.

Yes.
