2. Why did you choose an HBCU over a pwi?*

I didn't have a lot of knowledge on pwi's I knew that I did not want to go to the PWI in my hometown and I did not think I was able academically to go to any other ones.

3. What is the story of your "experience" at Your HBCU given its heralded status as a stellar and prestigious institution?*

Everything I know, everything thing I have learned, my happiest, saddest, and even angriest times ALL happened at an HBCU. The character I have evolved into stems from my experience at Grambling.
