2. Why did you choose an HBCU over a pwi?*

I chose an HBCU because most of my mentors growing up attended HBCUs and the choice was very clear when it came down to making a decision.

3. What is the story of your "experience" at Your HBCU given its heralded status as a stellar and prestigious institution?*

The story behind my experience is absolutely the best. I would choose to attend an HBCU over and over again if I was given the choice.

4. "First time" experiences at your HBCU?*

N/A

5. Who are the professors that have impacted your life in and out of the classroom? How did they do that?*

Man, where do I start!?! I have plenty of professors who left lasting impressions on me but two of them stood out the most. Dr. Robinson was my Anatomy and pathophysiology professor and he was a great science teacher and I would strongly recommend him.

6. Best restaurants on/near campus? Best dishes?

Anyone who has been to BCU knows about Bethune grills! I always get the 6 piece wings and fries.
