2. Why did you choose an HBCU over a pwi?*

I choose an HBCU over a pwi because of their commitment to ensuring African Americans excel in every aspect of their life despite their circumstances. They reminded me that we could become doctors and lawyers, and greatness was expected from us.

3. What is the story of your "experience" at Your HBCU given its heralded status as a stellar and prestigious institution?*

It was different, a challenge, a struggle but yet it was still fun. I am a first generation college

student so the experience was my own.
